About

The event **Din – Design In**, now on its sixth edition, plays a key role in the **valuing of artists and designers** throughout the **exhibition of their new projects, prototypes and concepts** to an international audience.

Held during the important meeting with Milan Design Week, the exhibition features the display of works covering both the **hi-tech and design fields** and created by over 150 Italian and international artists, sided by various initiatives.

Free workshops, presentations, temporary contests, *aperitivi* and direct meetings with important multinational realities, as well as new chances of communication with media, buyers and service companies offer the artists and designers taking part in the event a unique chance to create or enhance their network.
